For High School Students

A CONSTITUTIONAL SPEECH CONTEST

"Essentials" for Naperville Contest Level on Jan. 8, 2022

**NATIONAL ORATORICAL CONTEST
FOR HIGH SCHOOL STUDENTS**
A Constitutional Speech Contest

Neal Kemp, Contest Chairman for Naperville Post 43, 630-204-6658

Part 1: Draft in writing a "**Prepared Oration**" on some aspect of the U.S. Constitution, with emphasis on a citizen's duties and obligations to our government. It must have a title. It must be a speech that you create. Quotations must always be indicated as such, and the author's name must be given in the speech manuscript and cited orally. The speech must be given in no less than 8 minutes, and no more than 10 minutes. It does not have to be recited verbatim, but contestants must adhere closely to their manuscript. Because no podium, no microphone, no notes or other aids are permitted, it is suggested that contestants memorize the beginning, the ending and an outline of their speech.

Practice with a teacher or parent who will check timing and give constructive comments. Common mistakes are (1) speaking too fast, and (2) not giving good word separation, especially for names, titles and words the judges may not recognize. There is a big difference between being heard and being understood by the judges and the audience. Because of the time requirements, and because one may speak at a different rate as you become more familiar with your speech by repetition, it is good to plan a 9-minute speech. Time warning signs will appear at the 8, 9 and 10 minute marks. Use a timer when practicing. You do not want to see the 10-minute warning! That results in a penalty!

Have a pleasant friendly facial expression. Do not be a statue. Be your natural self, but use expression and emphasis like good speakers do. It is suggested to clearly state your title at the beginning, work it into your speech several times in the middle, and state your title in your ending. That repetition should help the judges remember you. Attach a bibliography sheet to your manuscript to show where your speech information was obtained. You **must** bring a copy of your speech manuscript to each contest level.

Part 2. The "**Assigned Topic**" will be a part of the U.S. Constitution. It will be chosen at contest time from one of the four topics that are listed below. One or more of the four may fit into part of your Prepared Oration in Part 1 above. You must speak no less than 3 minutes, and no more than 5 minutes, on the Assigned Topic chosen at contest time. Time warning signs will appear at the 3, 4, and 5 minute marks. You do not want to see the 5 minute warning that results in a penalty!

Four "Assigned Topics" from U.S. Constitution for 2022 Oratorical Contest

- A. Amendment III: No soldier shall, in time of peace be quartered etc.
- B. Amendment VIII: Excessive bail shall not be required etc.
- C. Amendment XIV, Section 3: No person shall be a Senator or Representative etc.
- D. Amendment XXV, Section 4: Whenever the Vice President and a majority etc.

For the complete text of each of above Assigned Topics see: <https://www.legion.org> under links for Programs, Oratorical Contest, Assigned Topics, or contact the Contest Chairman above.

3. In early December 2021, a Parent or School Representative is requested to confirm to the Contest Chairman mentioned above and below (1) the name, (2) phone number and (3) High School of the contestant that will appear and compete at the 2022 contest on Jan. 8th. Earlier confirmations are appreciated. This information is needed for determining contest staff and setups. To be eligible, an applicant must be a bona fide high school student in a grade 9 thru 12, a U.S. Citizen or lawful permanent resident, and under the age of 20 years at the time of the National contest starting April 9, 2022.

4. Appear in business attire with a parent or teacher or chaperone. Bring a written copy of your "Prepared Oration" manuscript which must have a title. "Sign In" at the American Legion Hall, 10 W. Chicago Ave., 2nd Floor, Naperville, on Saturday, January 8, 2022, at 1:30 PM. The District Contest will be Sunday January 9 at Cantigny Park from 10:00 AM to 4:00 PM; the Division Contest will probably be another Sunday, the State Contest will be early March, and the National Contest will be April 22-24, 2022 in Indianapolis, IN.

5. The order of speaking will be determined by lot at contest time. A contestant will not hear speeches of other contestants, but parents, teachers and guests may attend and hear all speeches of all contestants. The 1st, 2nd and 3rd Place Winners and Prizes will be announced the same afternoon. The 1st Place Winner earns the right to compete at the next contest level. Lately, other contestants have been invited to fill vacancies at higher contest levels in the order they are ranked by the speech judges. We have been successful in the recent past in having our Post contestants fill vacancies at the State Contest level.

When facts or figures are used, have good back-up sources and references for them in your bibliography sheet. It would be cause for disqualification if a speech contained erroneous facts or figures.

6. The purpose of this annual national contest, started in 1938, is to instill in high school students a better knowledge and appreciation of the U.S. Constitution. Other objectives include the development of leadership and speaking qualities. The Illinois State Champion will compete against contestants from the other 49 States in the National Contest. In addition to cash prizes at local contest levels, State college tuition awards of \$13,000 are spread among State contestants. National college tuition awards of about \$128,000 are spread among National contestants with \$25,000, \$22,500 and \$20,000 going to the three national finalists. Post 43 will pay the \$125 application fee for the State Contest. Hotel rooms are provided for contestants and parents at State and National contests.

This is not an easy contest. It is a challenge that thousands of good students have been able to perform since its inception in 1938. See a partial Naperville list below. Are you a good student?
